Experience

Animator | Scout Media Team
Boston, MA | Jan 2022 – Present

- Design logo animation and video graphics for Scout clients
- Write, storyboard, and pitch creative ad concepts to promote client's business
- Collaborate with team to source actors, plan and execute shoots, and produce media content
- Assist on set, helping set dress, direct actors, set up equipment, and maintain detailed notes

Anim/Illustration Co-op | Bare Tree Media
Boston, MA | Jan 2023 – Aug 2023

- Designed an original sticker pack available on iMessage, TENOR, GIPHY, and Samsung that has been used worldwide and has garnered over 1500 downloads and over 8 million views.
- Illustrated character concepts for clients such as Dreamworks, Warner Bros, Universal, and more
- Illustrated and animated social posts
- Created assets and animations for a long-form animated PSA
- Animated stickers for Wizards of the Coast
- Designed promotional materials for licensing clients such as Carebears, Smurfs, and more

Motion Design Intern | EVERFI
Remote | July 2022 – Sept 2022

- Collaborated with cross-functional product design team to produce educational content for K-12 students and adults
- Created interactive lottie animations to be used in courses
- Organized lottie libraries in Figma
- Rigged characters and prepared them for animation

Freelance Animator | Starship Oasis
Boston, MA | Oct 2021 – Dec 2021

- Illustrated and animated scenes for a BFA film, which included an outer space background, a moving rocket ship, and animated text

Teaching Assistant | Northeastern University
Boston, MA | July 2021 – Dec 2021

- Mentored 20 freshmen in the undecided major program
- Graded assignments, led lessons, and conducted one-on-one meetings with students

Overview

I'm a graduating Media Arts & Animation student in Boston. I find joy in telling stories using both 2D and 3D art, and I'm inspired by the whimsical, strange, and thought-provoking.

Education

Northeastern University | GPA: 3.9
Honors Program and Dean's List
